Kim Gillis

General Manager Systems, DMO

Martin Bowles

Deputy Secretary - Defence Support

The Defence Strategic Reform Program

The Strategic Reform Program (SRP) aims to realise \$20 billion in savings within the Defence portfolio over the next decade. The Government plans to reinvest all of the savings within the portfolio, including the acquisition and smarter support of equipment. The Strategic Reform Program aims to comprehensively improve the supporting 'backbone' of Defence, making the organisation more efficient and effective, and creating significant savings to reinvest in building a stronger Defence Force. These savings and reinvestments are essential to ensure the capability goals set out in the White Paper are delivered.
